- ▶ Plus...Students can earn \$20/school year for good grades or good attendance

100% employee-owned • member FDIC

* For Students between the ages of 12 - 17 with a parent or guardian on the account. The parent/guardian must have a separate PCB checking account in good standing. Student must enroll in free e-Statements and e-Notices. Students can earn \$20.00 with a GPA of 3.0 or higher OR with an attendance record with 4 or fewer days absent during the school year. If your student's grade card isn't based on a 4.0 system or your child is home schooled, that student can still receive \$20.00/each school year. Limit \$20.00/student/year with all PCB accounts. See PCB for details. Member FDIC
