Cahokia Mounds & Mansions
History in Illinois on March 27, 2020

Imagine standing at the edge of the falls, close enough to feel the thunder of millions of gallons of water cascading over the side. Join us when we travel to Niagara and “feel the flow” of the mighty falls! This is an area rich in history, home to luminaries such as F. Scott Fitzgerald, Mark Twain and Grover Cleveland. We will explore both sides of the border including the lovely Niagara-on-the-Lake and the fascinating city of Toronto.

Niagara Falls/Canada • September 13 - 18, 2020

September 13, 2020 - The Erie Canal...an Engineering Marvel:

On arrival, you'll be met and assisted with your transfer to your hotel, the Seneca Niagara Resort & Casino for the next 5 nights. You'll have a \$100.00 Casino credit to try your luck as well as a \$40.00 dining credit! After time to freshen up, depart for a narrated cruise through the picturesque Erie Canal. Its 363 miles were completely dug with shovels and horsepower, and its laborers earned 80 cents a day. An engineering marvel when it was completed in 1825, some called it the Eighth Wonder of the World. After your cruise you'll enjoy a buffet dinner at the adjacent dock house.

September 14, 2020 - Art Deco and Frank Lloyd Wright:

If you've not been to Buffalo, prepare to be amazed! You'll tour the Darwin Martin House Complex, one of Frank Lloyd Wright's greatest achievements. It's a classic example of his Prairie House style and home to the famed “Tree of Life” stained glass window. Buffalo's beautiful downtown landmarks provide a stunning backdrop for her most important stories. Visit its city hall, one of the largest in America. This Art Deco masterpiece sits on Niagara Square, the center and cultural heart of Buffalo. During your tour today, you'll enjoy lunch at the home of the Buffalo Wing — the world-famous “Anchor Bar”! After a full day of touring, you'll return to your hotel to enjoy dinner on your own.

Canada & Niagra Falls, cont.

September 15, 2020 - Experience the Falls

Discovered in 1678, Niagara Falls is one of America's first icons. The natural splendour of the park offers a breathtaking view of one of nature's marvels and an experience that will last a lifetime. You'll walk right up to the base of Niagara Falls during your Cave of the Winds tour and let the water spray all around during the Maid of the Mist boat ride. After your morning adventures, you'll have time on your own to enjoy lunch, then visit historic Old Fort Niagara. With a history spanning more than 300 years, you'll see characters from the past firing muskets and cannons or perhaps British soldiers in their 1812 uniforms. After enjoying dinner on your own this evening, you'll be free to return to Niagara State Park and marvel at the spectacularly lit falls and the incredible fireworks display!

September 16, 2020 - Visit Toronto

After breakfast, you'll drive across the Canadian border and drive into Ontario. You'll hear interesting stories about Toronto, a city of diversity, of beauty and of excitement. Then you're in for a very special treat - lunch atop one of the world's tallest tower! Rising nearly 1,800 feet, the iconic CN Tower will provide you with views of the city and region like no other! Afterward, you'll see Toronto's most notable sights and get to shop in the unique St. Lawrence Market as you explore the heart of downtown, as well as visiting Toronto Harbour. This evening, enjoy dinner on your own back at your hotel and casino as you unwind from this exciting day.

September 17, 2020 - Icewine and Aero Cars

You'll wrap up your Niagara encounter with a truly unique view of the Niagara Region of Canada! You'll visit the quaint and historic town named Canada's "Prettiest Town" - Niagara-on-the-Lake! Known to locals as NOTL, it's retained its 19th century charm and is a wonderful place to explore, with forts, grand mansions, colorful gardens and a pot-pourri of arts and craft shops. This beautiful town will leave you feeling enchanted and will be the highlight of your day with its colorful flowers and charming shops. You'll also enjoy a unique wine tasting today that will include Ontario's famed Icewine. This dessert wine is produced from grapes that have been frozen, then picked while still on the vine. Later this afternoon, you'll get a view of the Falls from the Canadian side as you ride the Whirlpool Aero Car high above the swirling rapids. You'll be transported through the air in an antique cable car while far below the Niagara Whirlpool swirls and bubbles. The Aero Car has been in operation since 1916 and has long been one of the area's top tourist attractions. Imagine ladies and gents of the early 1900's decked out in their dresses, stylish hats and gloves, and dashing suits standing in this open air car gazing in awe at this spectacular view of Whirlpool Falls! Conclude your day with another breathtaking view of Niagara, from the revolving restaurant atop the Skylon Tower as you enjoy a farewell dinner.

September 18, 2020 - From Carousels to Airplanes!

After checking out of your hotel, you will visit the historic Herschell Carousel Factory Museum. The Allan Herschell Company was once the most prolific maker of carousels, producing over 3,000 hand carved wooden carousels. Each featured strikingly designed horses, and the company built a worldwide reputation for quality rides with carousels shipped around the world. Not only will you see beautifully restored wooden horses, but you'll get to be a kid again and ride the 1916 carousel with 36 hand carved horses. After a fun filled morning, you'll transfer to the Buffalo airport for your flight home. Memories of this trip, featuring amazing Buffalo and the thundering Falls, will last you a lifetime!

Iceland in Summer 2020: The Land of Fire and Ice

August 3, 2020 - August 11, 2020 • \$800 deposit will reserve your spot

Land of Fire and Ice includes: Round trip airport transfers, round trip air to Reykjavik, full size luxury motor coach, 7 nights in 4 and 3 star accommodations, plus daily breakfast, 6 lunches, 5 dinners, several tours (as per itinerary), service of a tour director throughout the itinerary, luggage handling for one bag per person, all resort, service, and government fees.

August 3, 2020 - Journey to Iceland:

Today, board your overnight flight to Reykjavik, the capital of Iceland.

August 4, 2020 - Reykjavik, Viking museum & City Tour:

This morning you will be met by your local guide at the airport. Your first Iceland experience will be the Viking World museum. A snack and a refreshing drink is included at the museum's cafeteria, before you start your panoramic city tour of Reykjavik. Early this afternoon you will check in to your hotel. Tonight, a welcome to Iceland dinner is included.

August 5, 2020 - Farmlands & Mountains of the North West:

Today, you will travel northwards to Borgarnes, the gateway to the Snaefellsnes National Park and Skagafjörður, the valley of the horses. The valley is known as the Mecca of horsemanship, thanks to its abundance of Icelandic horses. Next, you will visit the folk museum of Glaumbær. Situated in an old traditional turf farmhouse dating back to 1750. The museum explores life in historic rural Iceland and commemorates the lives of Þorfinnur Karlsefni and his wife. In the 11th century, the couple travelled to North America and she gave birth to what is believed to be the first European child born in North America! This afternoon, you arrive in Öxnaðalsheiði, the capital of the North, and check in to your hotel for the next two nights. Dinner is served at your hotel.

August 6, 2020 - Lake Myvatn area:

After breakfast this morning, take off to Mývatn. Located in the heart of north-east Iceland about 65 miles south of the Arctic Circle, Lake Mývatn and its surroundings are one of Europe's greatest natural treasures. This shallow lake, set in a dramatic landscape, is dominated by volcanic landforms such as pseudo craters and lava pillars. Start this natural experience with a relaxing dip in clouds of steam rising from a fissure deep in the earth's surface, followed by a swim in a pool of geothermal water drawn from depths of up to 6000ft. Prior returning to your hotel, visit the Goðafoss Waterfall, known locally as the waterfall of the gods for its godlike beauty.

August 7, 2020 - Dettifoss Waterfall and East fjords

This morning you leave Akureyri and travel northeast. Your first stop will be the Dettifoss waterfall. It is the most powerful waterfall in Europe and most voluminous waterfall in Iceland! Measuring 144ft high and 328ft wide, Dettifoss is referred as 'The Beast' and known for its power rather than its appearance. That said, the waterfall is stunning, extremely large and the mist from the falls is visible from several miles away. Next you will pass through the highland Plateau Mödrudalsöræfi towards the sparsely populated and very beautiful East fjords with its small fishing villages and magnificent mountains.

August 8, 2020 - Fjords and Glacier Lagoon Boat Cruise:

Today, your journey continues along the East Coast with its many fjords and dramatic coastline. Later today, you arrive at the magnificent Jökulsarlón Glacier lagoon, the largest ice

FUN FACT: With 8 to 10 million puffins inhabiting the island, Iceland is home to more than of 60% the world's entire Atlantic puffin population. Walking almost hand in wing with humans during the summer season, it is definitely something Icelanders are proud of.

lagoon in Iceland! Take a Boat cruise and see with your own eyes giant incredibly shaped icebergs, transparent ice, opaque ice and even deep jewel blue ice. The atmospheric gray streaks showing within some of the icebergs will remind you Iceland is a volcanic land with a great fiery heart - the land of fire and ice! This afternoon you enter Skaftafell National Park, an enchanting green oasis flourishing between many surrounding glaciers. Tonight's dinner is served at the hotel's restaurant.

August 9, 2020 - Black Beaches, Waterfalls and Lava Fields:

After a leisurely breakfast, you will cross Eldhraun, the largest mass of lava to have ever flowed on the face of the earth to the famous black beach of Reynisfjara! This is a place of wild and dramatic beauty where the roaring waves of the Atlantic Ocean power ashore with tremendous force. When you stand on Reynisfjara Beach, it's the equivalent to being in a natural amphitheater of water. The area is also known for its puffin colonies that are nesting here. This afternoon visit the Lava Centre and learn about Iceland's birth story and the forces of volcanic activity. See the Skógafoss and Seljalandsfoss waterfalls before returning to Reykjavik with the remainder of the evening at your leisure.

August 10, 2020 - Into the Glacier and Viking Dinner:

Best for last? Literally! Today you visit the unique and remote man-made ice cave in Langjökull, on Iceland's largest and most spectacular glacier. We'll stop at Europe's most powerful hot spring Deildartunguhver and Hraunfossar lava waterfalls. After lunch, journey up the white slopes and go inside the man-made ice tunnels leading to the blue heart of the glacier. You will ride in a super truck - specially made to explore the glacier environment. Soak in the view as we drive on top of the ice cap. Tonight, indulge in an authentic dinner Viking style!

Cahokia Mounds & Mansions Day Trip

Historic Illinois Day Trip • Wednesday, March 27, 2020 • Only \$94/person

Discover the historic Cahokia Courthouse. In the days of Lewis and Clark, the courthouse was the site of legal hearings, postal services and other governmental activities. Next visit the 1799 Holy Family Church and Museum, one of only two French vertical-timber churches in North America. This church really is a sight to behold!

Tour the 1810 Jarrot Mansion which is the oldest brick home in the whole state of Illinois. The mansion is listed as a National Landmark, and an extremely rare example of Federal architecture in the upper Mississippi River valley. Enjoy a delicious buffet lunch at the Shrine Restaurant at Our Lady of the Snows - one of the largest outdoor shrines in North America with over 200 acres of land.

After lunch, visit Cahokia Mounds. This site was the center of the largest civilization ever in the North America until the late 1700's. The Mississippian Culture, peaking around the year 1200, built nearly 140 mounds on this site. Sixty-three remain, including the 100 foot tall Monk's Mound. Visit the excellent interpretive center here and stroll the mounds.

Enjoy this trip for only \$94/person
Call Diana Elliott at (573) 368-4666 to RSVP.
Final payment is due before March 15, 2020.

The "Orient Express" in St. Louis
