Saint Patrick, the patron saint of Ireland is buried here and of course Saint Patrick's Day is observed on March 17th, the date of his death. You'll visit the Saint Patrick Visitor Centre featuring interactive displays telling the story of his life. Legend has it that St. Patrick taught the Irish about the doctrine of the Holy Trinity using a shamrock to illustrate the Christian teaching. Today, it is widely associated with Ireland and St. Patrick's Day. Enjoy time on your own for lunch before continuing on to the heart of Belfast later this afternoon. Check into the world famous Europa Hotel located in the heart of the city center, where you're just a short walk from top attractions and local shops. You can explore on your own before enjoying dinner in the hotel this evening.

### April 22, 2018 - Belfast: The Titanic!

This morning, set out on a tour of Belfast City. You'll see wide ranging architectural styles such as the Edwardian City Hall and the grand Ulster Bank as you tour Northern Ireland's capital city. You will tour the Titanic Belfast with its interactive galleries, recreations of the ship's cabins, underwater exploration theatre and a moving evocation of the ship's catastrophic and untimely demise. ## September 9, 2018 – Discover the Finger Lakes

Depart your hotel this morning and travel to Seneca Falls - settled in the 1790s. The charming town is set alongside the falls of the Seneca River, a mile long series of rapids. You'll stop at the Women's Rights Statue. During the 1840's, the advent of manufacturing opened new possibilities for women and for the first time they could work outside the home. As they started to earn money, they began to realize the discrimination they faced leading to the Women's Rights Convention in 1848. This was the beginning of the women's rights movement in the United State. Stop for an inspiring photo at “The First Wave”, life-size bronze statues of women important to the movement.

Seneca Falls is thought to be the inspiration for the fictional town of Bedford Falls in the famous holiday classic film, “It's a Wonderful Life.” You'll even get a glimpse of the steel trestle bridge where Jimmy Stewart as George and the angel Clarence had their fateful encounter. Our lunch plans include a cruise on Skaneatele Lake - a body of water so pure the city of Syracuse uses it unfiltered.

Your next stop is at one of the area's wineries. Finger Lakes is a world class wine producing region that specializes in aromatic white varieties...tour and tasting included! Before returning to your hotel for the evening, stop in Geneva for dinner on your own. Located on the northern end of Seneca Lake, you'll find some the most exquisite dining experiences in the region.

## September 10, 2018 – Corning...Make Your Own Glass!

Today takes you to the Corning Museum of Glass. From the glass portrait of an ancient Egyptian pharaoh to contemporary sculptures, it's an eye opening exhibit. To cap of your visit, enjoy a “Make Your Own Glass” project with experienced glass makers guiding you through your masterpiece.

Today, lunch is on your own with time to browse shops, studios and galleries in Corning's Gaffer District. Visit the Glenn Curtis Museum and learn about the man remembered as the Father of Naval Aviation and founder of the American Aircraft Industry. An avid inventor, Curtis possessed insatiable curiosity and mechanical ability. Glenn Curtis craved speed and turned his considerable genius into producing powerful engines for motorcycles as well and held the world speed record from 1907 until 1930. Dinner this evening is on your own in the quaint village of Hammondsport – officially named “America's Coolest Small Town.” With a breathtaking view of Keuka Lake, its beauty is unmatched.

Learn about the region's rich history and savor closeup the spectacular scenery and magnificent island homes. Your cruise includes a delectable luncheon buffet on board the triple deck vessel. You'll stop at Boldt Castle and hear the story of the 300 workers who fashioned the six story, 120 room castle. Construction began in 1900, then tragedy struck and work was halted, finally being completed nearly 80 years later.

After returning to the mainland, you'll continue on your way to the Riveredge Resort, located in the heart of Alexandria Bay. Unpack and settle in with the remainder of the late afternoon and evening at your leisure.

## September 12, 2018 – Discover The Adirondacks

In Raquette Lake, visit Great Camp Sagamore, the wilderness estate of the Vanderbilt family from 1901 to 1954. With 27 authentic National Historic Landmark designated buildings, this is a unique opportunity to learn not only about the Vanderbilt family, but of the workers who built, maintained and expanded the camp.

See the famous Main Lodge which has served as a model for National Park Service lodge buildings and the beautiful dining hall overlooking Sagamore Lake. After your visit, continue on through the Adirondacks to Lake Placid. We'll check in to our hotel and dinner will be served in a local restaurant.
